

**Environmental Sustainability Matching Grant Application**  
**District 7450**  
**Rotary Year: 2021-2022**

**Application Process**

1. Any Rotary Club within Rotary District 7450 may submit an Environmental Sustainability (ES) Matching Grant for up to \$500.
2. Projects must have an environmental focus. See Examples and Resources below.
3. Each Rotary Club is limited to one grant per current Rotary fiscal year (July 1 – June 30) unless surplus funds are available at the end of the fiscal year. Inquire about availability.
4. The deadline for submitting applications for the current Rotary Year is June 1st.
5. A club donation of up to \$500 may be matched from other sources. See Additional Funding, below.
6. Print or type all information. Incomplete applications will not be considered.
7. The ES Grant Subcommittee will review the applications as they are submitted. The review process and approval may take up to two months to complete.
8. Send the completed application with receipts to [TBD](#)
