Volume 3 Number 2

August 2008

From District Governor

My Fellow Rotarians:

It is August already and our District is off and running. . July was filled with mixed emotion. During the Installa-

tion ceremonies, the outgoing presidents and their officers were discharged and on the flip side, the incoming presidents and their officers were installed for the Rotary year 2008-2009. We have a bold task ahead of us.

Membership is our driving force for this Rotary year. Rotary Club presidents and their officers are determined to meet Rotary International president D.K. Lee's goals of increasing as well as retaining current membership.

My hope for District 7450 is that we over-achieve our goal and each club is awarded a President's Citation.

During the month of July, 13 clubs were visited. My visitation schedule is an aggressive one.

Bensalem Rotary Club supports King Library

The Bensalem Rotary Club, with the help of the Gundaker Foundation, has contributed \$2,100 to help the Historic King Library in its restoration project. The Historic Kings Library, located on the "Old Kings Highway" 1065 Bristol Road, Andalusia in Bensalem Township, needs to replace its roof and heating/air conditioning system at a cost of \$10,000. Additional funds will be raised by contributions and fundraisers by the King Library Restoration Committee. On hand for the check presentation are (from left) Friends of King Library" John Robinson, Maryann Pedrick, John Tyciak, Jill Freman, Bensalem Gundaker director Steve Moran, Friends of King Library president Shirley Lear, Bensalem Rotary Club president 2007-2008 Roger Caine, and "Friends" Danielle Lear, Ryan Lear and Harry Adams. This is the first year Bensalem Rotary Club has partnered with the

(CONTINUED FROM PAGE 1)

My goal is to spread D.K. Lee's message to every club as soon as possible, membership being the most critical. PDG Bob Lankin is spearheading membership for our District this year. PDG Bob has a great deal of experience with growing membership and will be a tremendous asset to our goal-setting for this year.

Second is eradicating polio worldwide.

Third is "Operation Warm", a project, which is being brought back to the District. Richard Sanford started "Operation Warm" 10 years ago with the assistance of the Kennett at Longwood Rotary Club.

During my official club visits, I will expand on each of these projects in further detail.

We will be looking for volunteers to assist Maria Mills-Torres with this year's RYLA program.

Linda Messer and Francy Cross head our Youth Exchange team and are always looking for interested Rotarians to help out with the youth. These dedicated Rotarians devote their

time and energy to "Making Dreams Real" for our youth of today.

The District has some exciting events scheduled so mark your calendars!

From September 3rd thru 6th, this year's Zone Institute is being held at the Hyatt Regency on the waterfront at Penn's Landing in Philadelphia. District 7450 will welcome as guest speaker, RI president D.K. Lee along with his lovely wife, Young Lee.

Our District Conference, April 17th thru 19, 2009 will be held locally at Longwood Gardens and The Mendenhall Inn in Kennett Square. You can enjoy a stroll thru the gardens prior to entering the Conserva-

tory where our Saturday night formal dinner will be held. More information will come in the coming months.

Fellow Rotarians, my wish is that you are as enthusiastic as I in meeting our District challenges during the next 11 months. With your help, I know we can over achieve our goals and "Make Dreams Real."

Outgoing scholars hear pep talk during June seminar

Philadelphia Rotary Club's Joe Batory delivered one of the keynote speeches to the Rotary Foundation's outgoing scholars at a three-day seminar for the Mid-Atlantic Region at the Freedoms Foundation in Valley Forge June 5 to 7. The students/scholars will be representing Rotary via study abroad in about 20 different countries during the months ahead.

Batory's two-fold focus for the scholars was about representing the United States of America and Rotary with distinction and "making the most" of the experience abroad. He

offered highlights of American democracy and principles and urged the ambassadors to share these as much as possible. He also pinpointed many ideas and suggestions for maximizing and enjoying the experience in another culture.

Batory told the students, "For anyone in Rotary who wonders about what the Rotary Foundation does, these exemplary young people and the opportunities Rotary is providing are a wonderful example of the best of our organization as it touches lives so meaningfully."

Membership Development Workshop Sept. 27

By PDG Bob Lankin
Membership Development Chair

District 7450 is hosting Membership Development and Rotary Foundation Workshops Saturday, September 27, at the Delaware County Community College, on Media Line Road in Newtown Square. The registration will begin at 7:30 AM with the meetings starting at 8 AM. They will both conclude at 12:30 PM. It is our hope that as many members as possible will attend one or the other workshop.

As the District membership Development Chairperson, I would like to tell you about the ideas which will be presented at the Membership Workshop, and why it is important that several of your members participate and not just the membership development chairperson. You see the ideas are so "outside the box" and different than you have been told so many times before, it will need several different people to return to your club to change everyone's way of looking at it. Perhaps you could say that we will be presenting a new perspective in looking at the ideas regarding prospective members.

If your members attend they will learn:

Why harassing Rotarians and lecturing them about recruiting doesn't work;

Why membership drives, contests and promotions don't work;

Why Rotary will not solve its membership problems by cold calling and door knocking;

How to automate your membership recruitment efforts, so that recruitment comes as easy as scheduling programs at club meetings;

How to have a successful year every year for membership development without the angst and soul searching that has accompanied these efforts in the past; How to get prospective members to come to you;

How to get your members to bring guests to the meetings naturally and automatically;

How to lock "the back door of Rotary" and reduce the incidence of members dropping out; and

How to use the opportunity to name Honorary Members in a way that will dramatically increase your fund raising success.

The meeting is paid from funds your club has sent to the district. There is no addition charge to the members who attend.

Club presidents should send me number of members planning to attend around September 20 at **Bob.Lankin@RaymondJames.com**

West Chester Rotary Club installs team, celebrates past year

At a festive Presidential Gala at the West Chester Golf and Country Club July 10, Steve Karp was inducted as the new president of the Rotary Club of West Chester, along with the 2008-2009 board of directors. 2007-2008 president Gary Hess was given a standing ovation for a job well done.

Under the leadership of Past President Sue Casso Rogers and her committee, the gala was festive with flowers and candles and a silent auction table.

Bob Frame started off the festivities after dinner with a lively auction and Dr. Bob Poole inducted the new president and his board and engaged the 90 plus members and guests in the ceremony with humorous references to children's rhymes.

Following president Steve Karp's outline of plans for the year, State Senator Andy Dinniman presented copies of Senate resolutions commending both for their outstanding work in Rotary.

Three clubs attend joint breakfast meeting

Larry Thompson of West Grove-Avondale Rotary Club and Ken Carroway of Longwood Rotary Club were among the 68 Rotarians at Jenner's Pond July 31.

The second annual joint breakfast meeting of the Kennett at Longwood Rotary Club, West Grove-Avondale Rotary Club, and Oxford Rotary Club at Jenner's Pond cafeteria was attended by seven Oxford Rotarians, 44 Longwood Rotarians and 21 members of the host West Grove-Avondale Rotary Club. Jenner's Pond in West Grove is the regular meeting location for the West Grove-Avondale Rotary Club.

Because of the large number of people attending, the Rotarians took over cafeteria and moved the program portion of the meeting into the stage theatre used for show and entertainment productions.

The joint meetings began as an annual ritual last year in order to increase the communications and camaraderie between adjacent Rotary Clubs. Oxford Rotary Club was invited to join the meeting this year.

Ken Pienkos of Oxford Rotary Club and member of board of directors of Camp Dreamcatcher discusses the vision and work of the camp at the joint Rotary Club meeting July 31. The mission of Camp Dreamcatcher is to provide safe, supportive, and educational services to children infected/affected by HIV/AIDS and their families.

Rotarian renews drive for hearing aids

Bristol Rotarian Michael Buchheit accepted 114 additional used hearing aids from America Hears, Inc., a digital hearing aid company headquartered in Bristol Borough, August 6. The hearing aids were acquired by the company through their unique hearing aid trade-in program.

The used hearing aids are being donated to "Help the Children Hear Inc." a past Rotary International Foundation project established, designed, and created by Rotarians. The program is a result of relationships bonded from the Rotary Youth Exchange program and serves as an example of the Rotary network combining the resources to make a difference.

The Rotary Club of Tucuman Sur, Argentina; The Rotary Club of Blairstown, N.J.; and The Rotary Club of Caldwell's, N.J. had initiated the joint project to address the hearing impaired needs of lower income children around the world.

The members of the Rotary Club of Bristol began collecting community hearing aids to benefit Help the Children Hear Inc. during Buchheit's 2000-2001 term as club president.

For more information visit the web site at www.helpthechildrenhear.org. Help the Children Hear Inc. is a tax exempt 501 C-3 corporation.

Volunteers needed to help with Rotary Zone Institute

PDG Bob Lankin and DGE Al Marlin have issued a call for volunteers to help with the Rotary Zone Institute in Center City in Philadelphia from September 2 through 6. Zone Institute is a convention of Governors Past, Present plus DGNs and DGEs from 34 districts from Washington D.C. to Montreal. About 450 people are expected including DK Lee, RI president from South Korea.

District 7450 has been requested to provide volunteers to assist with various tasks including Sergeant-at-Arms, decorating tables etc. Lankin reports two people are needed for each session. If you can work one-half day, Lankin will schedule two people to fill the slot. Times when volunteers are needed are: Tuesday, September 2, 8 a.m. until 4 p.m.; Wednesday, September 3, 8 a.m.

until 4 p.m.; Thursday, September 4, 8 a.m. until noon; Friday, September 5, 8 a.m. until noon; Saturday, September 6, 8 a.m. until noon.

If you can help, contact Lankin at **Bob.Lankin@Raymondjames.com**

Marlin seeks volunteers to transport Rotarians from the airport and 30th Street Station to the Hotel at Penn's Landing.

Marlin is making a list of volunteers that may be called upon to serve and notes, "If and when we get specific requests, we will notify you with all the particulars for you to meet the Rotarian's involved and transport them to the Hotel."

For more information, contact Marlin at **almarland@aol.com**; 610-659-1279 (cell) 610-933-5386 (office).

Main Line Rotaractors sponsor benefit 'Night at the Races'

The Main Line Rotaract Club will be hosting "A Night at the Races" benefit Saturday, September 6, from 7 to 10 p.m. at Edgemont Country Club.

The fundraiser will benefit "Family Support Line" in Media which provides professional services to heal and prevent the sexual abuse of children.

The Rotaractors are seeking donations of items for prizes and invite all Rotarians and guests to attend the function which will have an open bar with wine and beer and appetizers. Cost is \$60 per person. To help and for more information, contact Jamie Jun at **jj@fromholdjaffe.com** or 610-527-9100.

Rotaractors learn Rotary ways at RI convention

By Patricia Dantis

District Rotaract Representative

Starting on June 12th, myself, Jennifer Greenberg, past president of Main Line Rotaract, and Barbara Steele, past secretary of Main Line Rotaract, had the privilege of attending the 2008 Rotary International Convention as well as the Rotaract Pre-Convention in Los Angeles, California. The experience proved to be very worthwhile and eye-opening as we learned so much valuable information. Upon arrival, we were greeted by the very attentive staff at Mount St. Mary's Doheny Campus, our home for a week. Situated in downtown LA and within walking distance to the Convention Center, the dorms proved to be an ideal location for Rotaractors to interact/bond before and after the conference.

The Rotaract Pre-Convention was a nice prelude of things to come. Rotaract-specific sessions in addition to social gatherings to promote fellowship were a few of the highlights. Sessions were marked by very talented facilitators whose involvement in Rotaract had given them the tools necessary to provide key information on a variety of subjects to other Rotaractors.

One session that most notably stands out in my mind is the District Rotaract Informational Session. As a newer District Rotaract Representative and the first for our district, my thoughts were, "I could use all the help I can get." Subject matter discussed ranged from leading a district in a positive manner to creative fundraising to funding the position itself. Brainstorming, group discussions, and sharing ideas and best practices were highlights of Rotaract sessions.

Furthermore, social gatherings enabled Rotaractors to gain a comfort level with each other which was essential to sharing ideas within the sessions. Overall, the fine balance of conducting Rotaract business combined with social events proved to be instrumental in the success of Rotaract portion of the conference.

On June 15th, the Rotary International Con-

vention began. Who else can do it better than Rotaractors, but Rotarians themselves! I can say with all my heart that the Rotary events/speeches were enough to make a person well up with tears of joy. From the Flag Ceremony to seeing the House of Friendship to the speeches from Rotary leaders, the convention was in one word: INSPIRING.

The flag ceremony visually summed up the idea that Rotary really is an international organization with each club eventually working toward the same goals. The House of Friendship enabled of a kind of global networking. RI president (2007-2008)

Wulf Wilkinson was a charismatic speaker and really drove home the point that we are all ordinary people doing extraordinary things. 2008-2009 RI president D. K. Lee shared his vision to "Make Dreams Real" and reduce the rate of child mortality in our world. We were inspired to believe that Rotary has evolved enough to give children all over the world hope and the opportunity for a brighter future - thus making their dreams real. President Lee also noted that there needs to be a greater connect between Rotary and Rotaract, a point which I found to be very relevant. The Rotary

portion of the convention made me feel proud to be a Rotaractor, but also excited to become a Rotarian. The possibilities for making positive change in the world really are endless.

Overall, the 2008 Rotary International Convention filled our minds with ideas and information, and our hearts with hope for a brighter future-both as Rotaractors and one day soon, Rotarians. Attending this conference was important to all of us as committed Rotaractors. Myself, Jennifer, and Barbara are already anticipating the Rotary International Convention in Birmingham, England next year. We are sure that it will, like this year's convention, meet and exceed our expectations.

Exciting first month sets tone for new Rotary year

What an exciting first month of the Rotary new year!

I had the opportunity to meet many fellow Rotarians from our District by accompanying District Governor Joel at the installation ceremonies and official club visits.

Our club visitation schedule is an aggressive one. All 55 club visits will be completed by the second week of January 2009. These visits encompass Rotary International president D.K. Lee's message to all Rotarians for the 2008-2009 year of "Making Dreams Real."

Increasing membership is D.K. Lee's main focus for our Rotary year. PDG Bob Lankin will be handling membership growth for our District.

In addition, "Operation Warm" has been brought back to the District. For those of you who do not know about "Operation Warm," it is a 501C3 organization that Richard Sanford started 10 years ago with the help of the Kennett at

tributed 25 coats to underprivileged children in the Kennett Square area. In 2007, "Operation Warm" distributed 147,000 coats to needy children throughout the United States. With the help of District 7450, we intend to far exceed these totals.

Rotary provides so many opportunities for giving back and some are right in our own back yard. On July 25th, four of my fellow West Chester Downtown Rotary Club members and I volunteered our time toward assisting with Habitat for Humanity at 121 S. Worthington St in West

Chester. Three homes at this site are being constructed for qualifying families.

On July 26th, many members volunteered at "The Barn" at Spring Brook Farm with an open house. The Barn's founder and executive director, Mary Beth Drobish, runs the facility with animal-assisted activities for children with disabilities. What a delightful day!

To witness the excitement on these children's faces was quite a heart-warming experience. The visiting families were able to milk cows, pet horses, goats and sheep. Hay rides and home made ice cream topped the day! A great time was had by all.

On Wednesday, August 6th, 7500 Rotarians from five Rotary Districts attended the Phillies Strike Out for Hunger night. From every ticket sold, \$7 was donated to the Rotary Foundation. And what a game it was! The Phillies beat the Marlins, 5 to 0. District Governor Joel threw out the first ball of the game to the Philly Phanatic, who actually caught the ball!

Coming up in just a few weeks is the Zone Institute which is being held at the Hyatt-Regency Hotel at Penn's Landing in Philadelphia. RI president D.K. Lee will be our guest speaker for this event. Governor Joel and I are excited that 7450 is the host District for this year's Zone Institute.
