

DISTRICT 7450

Rotary Leader

Volume 4 Number 7

January 2010

Message from DG Al

This message was written after the Earthquake in Haiti. The presidents and secretaries of all Rotary Clubs received a message from me encouraging the Clubs to consider support for the Haitian people by contributing to one of our District projects, ShelterBox, through the website www.shelterboxusa.org. We all know the great work ShelterBox is doing by deploying tents in disaster areas around the world. Another way the Clubs can contribute is by sending their contributions to Gundaker Foundation with a notation to be used for Haiti Relief and we will distribute those funds the same way we distributed funds during the Katrina Relief efforts.

In addition to my personal email message of Seasons Greetings that went to those for whom we have email addresses in our new Data Base, I would also like to wish a Happy New Year to every member of our District.

This is "Rotary Awareness Month" in Rotary and what an event the Rotary Club of Longwood put together on January 4 to honor Mayor Leon Spencer of the Boro of Kennett Square for his retirement. There was no better way to make the residents of the Boro more aware of the Rotary Club of Longwood's involvement with the community it serves.

Rotary answers call for help; ShelterBox team mobilized

The Rotary Foundation has established the [Haiti Earthquake Relief Fund](#) for U.S. Rotarians who want to donate toward recovery efforts in the aftermath of the January 12 earthquake.

The Haitian Red Cross is estimating that more than 100,000 people are dead and millions more injured after the quake, the nation's strongest in 200 years, crumbled government buildings, hospitals, schools, and shantytowns. Most of the capital, Port-au-Prince, is in ruins.

A ShelterBox response team of two U.S. Rotarians and one from the United Kingdom immediately mobilized to deliver 500 containers of supplies to the affected areas.

In addition, more than 100 Aquaboxes are being delivered to Haiti to provide safe water.

Claude Surena, a member of the Rotary Club of Petion-Ville and president of the Haitian Medical Association, is sheltering more than 100 people in his damaged home in Port-au-Prince. He also is leading the efforts of the 17 Haitian Rotary Clubs to ensure that the ShelterBox containers will be deployed effectively to the thousands left homeless.

FROM DG AL MARLAND:**Looking at past and future for Rotary year****CONTINUED FROM PAGE ONE**

Kudos to Longwood for making this event the cornerstone of their Rotary Awareness Month in Rotary.

RI President Kenny in his January message reminds us that "In Rotary, January is the halfway point of our year of service, and it is also a time for us all to look at both the past and the future. It is the time of year to take stock, to review the goals that we have set for ourselves, and to evaluate how well we have fulfilled those expectations. It is a time to look honestly at our progress and our challenges and to consider the steps we will need to take to complete our planned service successfully." Individuals and clubs can be proud of many achievements in the last six months as I have observed during my visits to the 54 clubs of our District. Kenny added "There is much to be done these next months. Do not waste a moment of that most precious commodity: time."

The best news I have for the District Conference is the substantial reduction in the prices. A new revised brochure is attached to this newsletter and it is also available on the District web site www.rotary7450.org. This is the last chance members have to register for this District Conference before we release all the non-reserved staterooms. Plan ahead and enjoy this wonderful opportunity that has been created in our District. I am looking forward to seeing many of you on board on the way to Bermuda. We have been notified that RI President Kenny's representative is past RI director Bob Coultas and he and I have communicated and we are making plans for a great visit.

With the exception of one Rotary Club all the official visits have been accomplished with the last one scheduled the early part of January. What an experience it has been to visit every Club in the District and meet all the wonderful service oriented Rotarians who belong to the 54 Clubs. I would like to thank all the Rotarians for making me feel welcomed at all the Clubs.

Please read the article in this issue about RYLA and identify high school juniors and seniors to support and sponsor their attendance to our annual RYLA Conference on February 19 to 21. The Rotary Club presidents and secretaries received all the registration and promotional materials to be used in your efforts to find and sponsor youth in your area. The

Youth Exchange Program in our District also is looking for sponsors of their nine students from abroad studying in our District.

Please also read the article by DGE Joan Batory on the upcoming President-Elect Training Seminar scheduled for February 26 and 27. Remember that all president-elects are required to attend PETS before they assume the presidency of their Clubs.

The District Data Base (DDB) is being implemented Club by Club. Any Club that wants to nominate its secretary or another individual to become Club Communications Officer, we will make the effort to train them to start incorporating all Club membership data in the DDB. Those who have experienced the use of the DDB are excited with all the benefits that the Clubs gain from its use and most of all the benefits the District as a whole is gaining by providing better electronic communications to all the Rotarians in the District. We need your help to identify those who will help the Clubs reach that user friendliness with the DDB.

The Nominating Committee is in the process of interviewing potential candidates for the two open DG track positions and the outcome will be known soon. Thank you all for your patience in this process.

The outbound GSE Team, which will visit district 2470 in southern Greece in April, 2010, is learning Greek and is being exposed to the Greek language and culture. They are letting all the Rotarians in the District know that they are excited at the opportunity given to them by our District. They say Ευχαριστώ! Hopefully the publicity about the outgoing team will peak the interest of the clubs in the District to host the Greek team visiting our District in May, 2010. Watch for social networking sites and blogs to follow the team in their travels to Greece.

Please send news about Club projects to Joan Toenniessen (mombugjoan@msn.com) and photos to Jay Childress (info@Rotary7450.org) so you can share your successes with the rest of us in the District. Please print a few copies of the newsletter, take it to your club meeting, and share it with some of your members who don't have computer communications..

Please email me your thoughts, suggestions, ideas and comments at DG0910@rotary7450.org.

ShelterBox: Among first getting aid into Haiti

LAKEWOOD RANCH, FL (January 16, 2010) – ShelterBoxes are being packed around the clock. Hundreds of ShelterBoxes that were dispatched from the prepositioned stock in Curacao on Wednesday are due to touch down in Haiti late this afternoon, Haitian time. More ShelterBoxes are set to arrive in Port au Prince, Haiti later this week.

Since ShelterBox is the largest Rotary Club project in world – local Rotarians in Haiti have been a vital part in obtaining clearance for ShelterBox to land and get the life saving aid into the country.

ShelterBox Response Team (SRT) members David Eby (US), Wayne Robinson (US) and Mark Pearson (UK) have been in Port au Prince since Thursday and have been working nonstop assessing the most effective ways to distribute the much needed aid.

A second Response Team, consisting of SRT members Mark Dyer (Illinois) and John Lacquey (Florida) are in Miami, coordinating the ShelterBox logistical effort into Haiti from there.

They will be joined later today by SRT member Ian Neal (UK) who will be travelling with the ShelterBoxes which are being shipped through Miami.

SRT Mark Pearson, who was one of the first on the ground after the Indian Ocean Tsunami, said: "This is worse than the tsunami. It's utter chaos at the airport. Buildings have been completely destroyed, the hospital has been destroyed. It's a full scale emergency, there's so much destruction."

Each "ShelterBox" supplies an extended family of up to 10 people with a tent and lifesaving equipment to use while they are displaced or homeless. In addition to a tent, a range of other survival equipment is supplied.

DG Al Marland reports he has received word from

Rotary Clubs indicating at least two dozen ShelterBoxes have been funded in the first week. "Kudos to all who are stepping up to meet this urgent need."

Rotary responds quickly in Haiti

(CONTINUED FROM PAGE ONE)

"Rotarians are working hard and fast to get help to those in Haiti," says Past RI Director Barry Rassin of Nassau, Bahamas, who has previously coordinated relief efforts in the country. "We're at the same time working on long-term efforts."

More than \$75,000 has been donated to District 7020 in the Caribbean, according to Past District Governor Dick McCombe. The district will be coordinating much of the Rotarian relief effort through its Haiti Task Force, set up two years ago to administer all financial aid to the nation.

Dawn Johnson, president of the Rotary Club of Verrettes, L'Artibonite, Haiti, says the infrastructure couldn't handle a quake this massive. "The government is highly centralized in Port-au-Prince, which is now entombed in rubble," says Johnson, who was in the U.S. while the quake struck. "The scale of this disaster is so huge. It is way beyond anything Haiti has ever dealt with before," Johnson adds. She said her Rotary Club is already working on getting clean water to victims. "I cringe a little at what I might see when I get back (end of month)."

RI President John Kenny and Rotary Foundation Trustee Chair Glenn E. Estess, Sr. have sent a joint letter conveying Rotary's condolences to victims of the quake and asking for more information on how Rotarians can help.

For information on how to help, go to www.Rotary.org.

District 7020 reports on the early response

District 7020 PDG Dick McCombe, coordinator for Haiti, reported January 15th, at 2 p.m.:

"Shelter Box expects to have 2900 ShelterBoxes on the ground over the next few weeks; 900 are there now, and 1000 are on the way with the balance to follow.

"We have a container of medical supplies in Atlanta that is going to be transferred to a DC-3 tomorrow and will be in route to Haiti by Sunday. A number of relief flights from other countries have gone in as well. Our Jamaican Rotarians in concert with the Jamaican Government and Coast Guard have sent in an army of supplies and people and are continuing to build their relief efforts.

"We have four flights (twin engine) leaving Nassau tomorrow for Haiti followed by a DC-3 on Sunday. The three Beechcraft from North Carolina to Haiti are due early next week and we will have four planes on the ground in Nassau for the remaining two weeks available to us and all we need to cover are the fuel costs."

ROTARY INTERNATIONAL

18 January 2010

Dear Rotarians:

We are deeply saddened to hear of the recent earthquake in Haiti, and we are touched by the commitment of Rotarians to assist the communities affected by this disaster. Rotary International is coordinating relief efforts, and we are writing to you today to provide you with information on how you may work through Rotary to make a significant contribution toward alleviating this major humanitarian crisis.

Rotary International coordinates information and provides resources on Club and District disaster relief efforts. When informed of local relief initiatives, RI shares updates about these efforts on the [RI website](#). Rotarians wishing to contribute funds or donated goods to disaster victims can visit the website or contact the International Service Programs Section at relief@rotary.org to learn about current relief and recovery efforts.

Also, The Rotary Foundation has established the Haiti Earthquake Relief Fund, a donor advised fund, for the purpose of collecting contributions for earthquake victims. Details about the fund have been posted on the [RI website](#). Please note that all contributions must be in U.S. dollars, and only U.S. tax receipts will be issued. Additionally, District Designated Funds cannot be accepted.

We have been in contact with District Governor Errol C. Alberga to offer assistance in publicizing any relief efforts that Clubs in Haiti are implementing on RI's online projects database, ProjectLINK. Any disaster recovery projects registered by District 7020 will be posted on ProjectLINK on a priority basis. Additionally, articles have been posted to the home page of the [RI website](#) with details on Rotary Club involvement in relief efforts and how you can help.

Rotarians may contact Governor Alberga directly at al.gram@cwjamaica.com or visit the [District 7020 website](#).

As always, when organizing a response to a local or international disaster, we encourage Rotary Clubs and districts to work with experienced emergency relief organizations such as [UNICEF](#), the [International Federation of the Red Cross and Red Crescent Societies](#), [Doctors Without Borders](#), [ShelterBox](#), [Aquabox](#), and [World Water Works](#) to meet the immediate needs of victims affected by the disaster.

It is our hope that with your meaningful and rapid response to this appeal, you will be able to help rebuild the future for millions of innocent people affected by this crisis. Thank you for your commitment to helping disaster victims.

Sincerely,

John Kenny, President
Rotary International

Former GSE team member leads GSE team to Greece

Group Study Exchange, Rotary's cultural and vocational exchange program, will be taking four young professionals from District 7450 to Athens Greece, with some time in Crete for the District Conference in the spring.

Lisa Leonard, a voiceover artist who records commercials, narrations, and telephone messages for clients around the world and does some DJ work at B101 Radio in Philadelphia, will lead the team. Members of the team are:

Stacy Filopoulos, a litigation associate with Bennett, Bricklin & Saltzburg, LLC in Center City Philadelphia, grew up in America with a strong Greek background. Stacy is eager to learn more about the legal system and insurance industry in her parents' native country.

Philip Fitzgerald, an associate with the Nonprofit Finance Fund in Center City, has a passion for working in local communities and for helping others achieve their goals. His current position involves administering a grant-making, private-public partnership aimed at improving the quality of child care for low to moderate-income families.

Lauren Hirshon, senior associate, Strategy and Innovation for Philadelphia Workforce Investment Board in Center City, is a Harvard graduate, and a skilled athlete. She was a four-

Pre-Pets Dinner kicks off training for 2010-2011

The dinner and orientation for the 2010-2011 Rotary District 7450 President-Elects January 11 at The Desmond Hotel and Conference Center in Malvern provided a great "kick-off" for the training of next year's leaders of District 7450 Rotary Clubs.

out to be both heart-warming and truly meaningful.

The substance of the event was delivered by Dave Haradon who focused on "What is Leadership," followed by Dave Ellis on "Planning Tools" and PDG Russ deFuria on "Team Building." These presentations were crisp and focused on leaders "being the best they can be."

District Governor-Elect Joan Batory closed out the night with her best imitation of David Letterman as she unveiled her "Top 10 List for Rotary Leaders."

"This was indeed a great introduction to being a Rotary president for those in attendance," summarized DGE Joan Batory. "I was so impressed by the turnout of so many future Rotary leaders who took time away from their families to participate. There was so much commitment and determination in our meeting room."

"What a great beginning of the tomorrows for these future leaders."

Mid-Atlantic Rotary PETS slated February 25-27

The 54 presidents-elect from Rotary District 7450 will come together with nearly 200 presidents-elect from four other Rotary Districts for the Mid-Atlantic President-Elect Training Seminar (PETS) at the Radisson Valley Forge in King of Prussia from February 25-27.

PETS is mandatory for all of those who will be serving as club presidents in 2010-2011. Its goal is to provide these new presidents with clear insights into the wide array of Rotary's programs and priorities as well as to suggest leadership and membership development strategies.

"The planning process for this PETS has involved gathering input and ideas from many past District Governors and other Rotary leaders for more than one year in trying to create the most meaningful and practical program for our new presidents," said Rotary District 7450 Governor-Elect Joan Batory.

"The Mid-Atlantic President-Elect Training Seminar, considered to be one of the very best of its kind in the USA, is also very unique in that its multi-District participation of so many future presidents creates so much energy and enthusiasm to benefit the participants.

"Leadership is taken very seriously in Rotary. Great presidents will lead great clubs to great things. That is what PETS is all

about....attempting to build presidential excellence."

There will be a number of featured speakers who will address the president-elects on Friday and Saturday (February 26 and 27) at the required training sessions.

District assistant governors-designate will be present to confer with the presidents in their areas of responsibility.

"Break-outs" and many activities are designed for personalization and involvement of the presidential participants.

In addition to all of this, president-elects can opt to attend optional "enhancement" workshops on Thursday, February 25.

"I am excited and optimistic that this PETS will be the best ever in terms of its content and quality and potential to develop leadership effectiveness," summarized District 7450 Governor-Elect Batory.

"I have also been very impressed with the personal qualities and commitment of the many incoming presidents I have already met and I am looking forward to working with them in the Rotary year ahead."

Joan Batory, District Governor-Elect, is a member of Philadelphia Rotary

District 7450 RYLA at Freedoms Foundation February 19-21

For the 12th year Rotary District 7450 is sponsoring a RYLA (Rotary Youth Leadership Awards) Conference. RYLA is a leadership training program adopted in 1971 by RI. The program is a combination of leadership training, team building, motivation and living history lessons.

DG Al Marland reminds Rotary Clubs "It is time to select students! Participants must be high school juniors or seniors. If your club is hosting a Youth Exchange Student, send him/her! If your club sponsors an Interact Club, look to their members! Remember - this is one of the few programs that the children of Rotarians can attend. Look to your club members for a student you might sponsor!"

DG Al adds, "If possible, we would appreciate

all clubs sending at least one or two students to this very valuable experience."

The fee is \$240 per student for the first two sponsored by a Rotary Club, and \$220 for additional students sponsored by that Club. Checks should be payable to "Rotary District 7450" and sent with students names to Registrar Louise V. Burroughs, 342 West Brookhaven Road, Brookhaven, PA 19015. Registration deadline is January 30,

All application and program materials are available for download from the District Web Page, www.rotary7450.org.

Broomall Rotarians deliver gifts, 30 dinners

Each year, members of the Broomall Rotary Club fan out across the Marple Township delivering holiday presents to dozens of children. The Rotary Club's Christmas Sharing program was started several years ago by Rotarian Vincent Frustillo in hope of adding the joy of Christmas to children whose families having difficult times.

This year Rotarians provided Christmas presents and dinners for 30 families. The Rotarians purchase gifts for the children and Marty Godfrey of Mrs. Marty's Deli in Lawrence Park donates complete turkey dinners for each family.

Earlier, Frustillo contacted Maple-Newtown School District to learn of families who could use help around Christmas. The families were told Rotary would like to deliver presents for their children and dinner for the family. If they accept, parents complete a questionnaire listing what the children would like. During a Rotary meeting, Rotarians received the questionnaires with the names removed and code numbers to protect privacy.

Early on a snowy Saturday morning before Christmas, Rotarians met at Mrs. Marty's Deli and received the addresses matching the code numbers. Armed with dozens of turkey dinners, hundreds of gifts and street maps, they drove off to deliver Christmas cheer.

The Rotarians who deliver gifts are not those who bought them. It is a very heart-warming experience for the Rotarians, who perhaps get the greatest gift of all - the gift of giving.

Broomall Rotary Club members, who gather in front of Mrs Marty's Deli before they head out to deliver Christmas dinners and gifts to 30 families, are Dave Winters, Russ Kehler, Joe Patti (pom pom on Santa hat behind Russ), Tom Barnes, Jim Bradley, Dan Leefson, Jim Kenney, John McCoy, Club president Sue Miller, Stan Madsen, and Vincent Frustillo, who is founder and organizer of event.

WC Downtown 'Fridays' fights child slavery

By Carol Metzker, West Chester Downtown 'Fridays' Rotarian

Rajneesh, who conducts raids and child-slave rescues, as well as keeps operations running smoothly at Bal Vikas Ashram child-slave rehab center, took the first spin on a motorbike provided by Rotarians this month. He traveled to the area of Bhadohi to check on the health of Asmat, a boy who was a slave in the carpet industry, and the financial situation of his family. After Asmat was rescued, he was treated at BVA and returned to his home, but is suffering from cardiac problems.

In the next few years, the motorbike will enable staff from BVA to make numerous field visits to ensure the continued health, well-being and freedom of children who were rescued from slavery.

The Rotary Clubs of West Chester Downtown "Fridays" and Norwich St. Edmunds (UK) provided funds for the motorbike, helmet and accessories. It was the first project undertaken by the newly forming Rotarian Action Group, Rotarians Against Child Slavery.

Bal Vikas Ashram (BVA) is a child-slave rehabilitation center near Allahabad, India, that has served more than 450 children since the year 2000. During their recovery and rehabilitation at the center, boys receive medical and psychological treatment. They also receive education—general literacy,

vocational training and information about human rights—that help protect them and their villages against further slavery after the children have returned home.

For more information on how to fight child slavery, contact Carol Metzker, echmetzker@aol.com.

Phoenixville Rotarians support 'Shop With Cops'

The Rotary Club of Phoenixville donated \$1,000 to the Phoenixville Police Association's "Shop With The Cops" program last month.

The "Shop With The Cops" program helps selected children from Barkley Elementary School have a brighter holiday season with a shopping spree at Kmart.

Phoenixville Police Cpl. Mike Barrett said, "We allow the school to select the names of the children, and we take them to Kmart to let them shop for Christmas." Cpl. Barrett added, "We want them to buy things they can enjoy, but lately they've been buy-

ing necessities such as shoes, socks and clothing."

In addition to the Rotary Club donation, funds for "Shop With The Cops" come from Barto Pool & Spa, and police officer contributions.

"We've been doing this for 12 years," said Barrett. "It first started with seven children, and last year we were close to 40 kids."

Children arrive at Kmart usually around 3 p.m. and refreshments are supplied. Once they are finished with the refreshments, the children are assigned to shop with an officer, and have a certain amount of money to spend.

'Service Above Self'

Kennett Square Mayor Leon Spencer receives the prestigious "Service Above Self Award" from Longwood Rotary Club president Andy Jenkins in recognition of the Mayor's selfless dedication and dynamic leadership during his 11 years in office. The award was presented as part of wider Kennett Square community recognition at a breakfast sponsored by the Longwood Rotary Club and attended by more than 270 local residents January 4 at the Red Clay Room in Kennett Square.

Chester Pike Rotarians salute students

The Rotary Club of Chester Pike commended Ejiro Akporotu, a senior at Academy Park High School, and Robert Thomas, a senior at Ridley High School for their selection as "Students of the Month" for excellence in academics and community service.

Broomall Rotarian John McKenna congratulates Marple-Newtown High School Senior/ Delaware County Technical School student Rebecca Hulsey as December "Student of the Month." She is enrolled in the health occupations program and is Pennsylvania State president of the National Occupations of America student organization.

Philadelphia Rotarians enjoy 'Moveable Feast'

The latest Rotary Club of Philadelphia's Fireside Event" on January 8 was a "Moveable Feast" at which guests followed a delicious pathway through three different condos at The Philadelphian. Along the way they enjoyed an array of elegant appetizers provided by Barbara and John Forer, a sumptuous

main course of filet mignon, pork tenderloin, and Seafood Newburg, cooked by DGE Joan and president-elect Joe (in red apron) Batory and exquisite homemade desserts from Gisele and

Shelly Prushan. The reviews are in: "A terrific social evening and fabulous food!" Four Fireside Events will be hosted by members of The Rotary Club of Philadelphia this year.

Public Image Initiative project

Dear District Governor,

I am writing to ask for your support for a major Public Image project which is taking place on 23 February 2010. Various Public Image initiatives will be happening around the world from 16 February until 2 March 2010. These will include the now successful lighting up of iconic buildings with the message "End Polio Now." Leaders of governments will also receive from Rotary an "End Polio Now" postcard. I would appreciate if you would ask each of the clubs in your District to be seen doing something visible to promote the "End Polio Now" campaign. It can be anything from spending an hour one day handing out leaflets about spending and polio to having a booth at your local shopping mall collecting money to help pay for polio immunization for the children. It really is up to each Club's imagination to do what they can to support this project. I do hope you will take this challenge to your clubs. Imagine the impact of every club in the world taking part to help "End Polio Now" around our organization's 105th anniversary. For ideas and outreach materials to highlight 23 February, please visit: <http://www.rotary.org/en/AboutUs/RotaryLeadership/RIpresident/Pages/PublicImage.aspx>

I wish you success as we celebrate Rotary's anniversary confident that each club will recognize The Future of Rotary Is in Your Hands.

Sincerely,
John Kenny

Rotary Awareness Month

(Condensed and edited – origin unknown)

What does a Rotary Club Do?"

Someone asked that question once
And I stood there just like a dunce!

Said I, "We gather for a meal

And ask each other how we feel

We get club business out of the way

And then it's our program of the day".

Well my friend – he turned to go.

"That wasn't what I wanted to know."

This made me pause and think a bit

What makes Rotary really tick?

Two billion children are healthy today

In lands both near and far away.

Hungry children are being fed

Through better ways to grow their bread.

Polio is being eradicated

And children are being educated.

Youth come here from every land

GSE teams are met with outstretched hands.

Whole nations are helped to meet water needs

Rotarians are always planting the seeds.

A hundred things there are to say

About what Rotarians do each day

If my friend should ask again,

I'll have another answer then!

Message from District Governor Al Marland

Dear Fellow Rotarians and Family of Rotary:

It is my pleasure to invite you to share in a unique experience for District 7450, a District Conference aboard a luxurious ocean liner, Royal Caribbean's Explorer of the Seas, for a fabulous six day, five night cruise to Bermuda and back.

We will board the magnificent Explorer of the Seas at Cape Liberty in Bayonne, NJ on May 8, 2010 and return on May 13, 2010. There will be activities galore aboard the ship, miniature golf, a rock climbing wall, duty free shopping, shows, casino, children's pool and activities, health and fitness center or fun in the sun, and of course, great food and Rotary Fellowship. The Explorer of the Seas has it all.

While in Bermuda, golfers will have an opportunity to play on a great course, and shoppers will have a field day. Join us as we recognize our spectacular year in District 7450. I look forward to seeing you on board!

Bon Voyage!

Al Marland/District Governor

Bermuda:

Nearly 600 Nautical miles off the coast of North Carolina, this island is known for its pastel painted houses, brilliantly colored gardens, cricket matches, fabulous golf courses and charming shorts. Its pink sand beaches and excellent shopping make Bermuda a delightful place to visit.

Places to go in Bermuda

Kings Wharf:

This cultural center built at the remarkable Royal Naval Dockyard offers shopping, restaurants, art galleries, craft markets and eight wonderful museums. For water-lovers it also offers a snorkel park and an extensive watersports facility, making it an excellent destination for the whole family.

Hamilton:

This charming town is quintessential Bermuda, with pastel buildings and businessmen bustling around in their jackets, ties and famous shorts. From here, you can set sail to see the more than 350 islands that make up Bermuda. Or grab a game of golf at one of six world-class golf courses in this area.

St. George:

In the oldest inhabited town of English origin in the New World, you'll find yourself surrounded by history. Visit the Old State House, constructed in 1620, and Gates Fort, built by the original settlers on the ship-wrecked Sea Venture, which dates back to 1609. Or set out on a walking tour beginning on Ordinance Island and explore the cobbled streets in town.

Terms and Conditions:

Payments: A \$315 (including non-refundable \$15 registration fee) per person deposit is due with your reservation to secure your cabin. The balance will be due December 15, 2009.

The Price & What it includes: 5 night cruise in your chosen accommodation, all port taxes and government fees, gratuities to ship personnel, all plenary sessions and special events, all meals, snacks and on board entertainment.

Travel Insurance: Travel/Interruption Insurance for your cruise to guard against cancellation penalties is highly recommended. Please ask your travel planner for cost and details.

Single Reservations: Single Reservations require an additional cost. Please inquire for total cost when making your reservation.

Final Payment: Payment of final balance in US funds is due by December 15, 2009.

Not Included: Drinks, Insurance, Passport fees, personal items or incidental charges.

Travel ID: A signed, valid through November 8, 2010 passport is required for all travelers, regardless of age. Please send a photocopy of the picture page of your passport with your deposit.

Cancellations: must be made in writing to TLG Travel, 111 Township Line Rd, Jenkintown, Pa. 19444. You can also email district7450@tlgtravel.com with notification of cancellation. From time of booking until February 16, 2010 a \$150 per person penalty will apply. From February 16, 2010 through April 3, 2010, a \$300 per person penalty will apply. From April 4, 2010 through April 30, 2010 there will be a 50% penalty. From May 1, 2010 there will be a 100% penalty.

Responsibility: Each passenger making reservations for or participating in District 7450 Cruise understands and agrees to all terms, conditions and limitations set forth in this brochure. In endeavoring to make arrangements with various persons, firms and corporations for the services and accommodations described in this brochure, TLG Travel acts strictly as an agent for the Cruise Line.
